Mr Abe Manley:

I'm writing you in behalf of a job with your baseball Club, the Newark Eagles. I'm an 1st baseman and an outfielder. I'm in good Shape. I have been training and playing here since Feb.

I'm 26 yrs old, wt 190 lbs. 6 ft 1 in.

James Hill a player on your team can tell you a little something about me.

There is also a right hand picter here, that would like to come. I'm sure we could make it, if given a chance. If you could use us we are willing to leave at once, If you send Railroad tickets.

I was talking to one of your former players & Mgr. Dick Lundy and he told us to get in touch with you. Please answer at once.
